### PRESIDENT'S MESSAGE

I am glad to announce that we have developed a new SFCLC website that went live in the month of July. It contains useful information about our club, including our history, activities, current projects, newsletters, District 4-C4, officers, Lion members, and most important our main event of the year- Miss Teen Contest function and rules. If you have not visited the site yet, I urge you to take a look. The officer page lists all current members' contact information. If your information is incorrect or if you want to omit certain information, please let me know so that I can change it.

Membership is an essential element to our San Francisco Chinatown Lions Club. As membership grows, so does our presence. Not only do we need to recruit new members, we must retain old members, especially those who have not been so active recently. I am planning to reach out to them to rekindle their heart to serve the communities and the needed. For August, we have already received three new Lion Member applications to join us to serve. What a great start!

Last fiscal year, 2006-07, SFCLC, presided by Lion Immediate Past President Margaret Lee, made an outstanding performance as a whole. Lion Margaret Lee has now moved on to be the Zone Chair of the District. She is also the President of the San Francisco Council of Lions. Let us congratulate IPP Margaret Lee on her promotion and dedication to Lionism. I am sure our club will continue to benefit from her experience and advice.

We are now into the second month of our fiscal year 2007-08. We have already felt the excitement, enthusiasm and team spirit burst from our dedicated Lion members. As of August 2007, we have participated in numerous activities including the District 4-C4 and the SF & Peninsula Council Club Officer's installation dinners. We also attended the Lion Eye Foundation Training, the San Francisco Council Meeting and the District First Cabinet Meeting. We hosted a welcoming event for PDG of Manila Chinatown and for our own Lion DG Maxine Frazier and her cabinet officers.

We also supported our community agencies (Self Help for the Elderly, Asian Women Resource Center). (continued on next page)

(continued from page 1)

For the coming months, we have planned an array of meaningful programs in meeting the needs and expectations of our Lion members and community. The activities include the White Cane Day Project / Miss Teen Merchant Walk, Health Fair, Thanksgiving Luncheon at Chinese Education Center Elementary School, Christmas Gifts for Children, Christmas Dance at Gold Mountain Restaurant (Friday, December 14, 2007), Peace Poster Contest, Student Speakers Contest, Blood Drive, Collection of Eyeglasses and Hearing Aids, VCSF Sight First Fundraising Karaoke Event at Far East Café (Friday, Jan 18, 2008), Youth Outreach, Environmental project, 2008 Miss Teen Scholarship and Charity Fundraiser and Lions Clubs International Convention in Thailand (Summer 2008). Most of these activities are posted on our new website under Calendar of Events. Your participation and support are truly needed.

We Serve,  
Michael Kay  
Lion President

### LIONS CLUB INTERNATIONAL OBJECTS

TO CREATE and foster a spirit of understanding among the people of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the choice in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry professions, public works and private endeavors.

### LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not as a means.

To hold that true friendship exists not on account of the service performed by one another, but that friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act or deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not to destroy
